

Chip-on-Board Sound Generator Series

SG1M	Three Train Sounds (COB) with mother board
SG2M	Cellular Phone Sounds (COB) with mother board
SG3M	16 Door Chimes (COB)
SG4 M	3 Sirens & Machine Gun (COB)
SG5M	Ding/dong Door Chime (COB)
SG6	Melody IC (TO-92)
SG7	Complete Card Melody Unit - Love Story
SG10M	4 Animal Sounds - hen, cat, cow, dog (COB)
SG11	Siren Sound Generator (COB)
SG12	Gun & Bomb Sounds (COB)
SG13	Complete Card Melody Unit - Happy Birthday
SG14	Complete Card Melody Unit - 3 Christmas Carols
SG15,16	Small & large dog barking - in preparation

Southern Cross Series

SC1	Southern Cross 1, single board computer, kit
SC2	Southern Cross 1, single board computer, assembled & tested
SC3	Relay Board kit, components for 1 position of 8 provided
SC4	8x8 Display Board kit
SC7	DS1213C Smart Socket
SC8	DS1216C Smart Watch
SC13	Relay Board Upgrade, components for 7 positions
SC20	Souther Cross 1 Monitor Program in 27C64 EPROM
SC21	Combined SC3 & SC13, Relay Board with all components

Kits

K1	Three Digit Panel Meter plus Counter Unit
K2	Temperature/LCD Panel Meter using 7106
K3	LED Dice
K4	Power Supply I
K5	Stairway to Heaven
K6	Roulette LED
K7	3V FM Transmitter
K8	Light Alarm
K9	Oscillator Building Blocks
K10	Touch/Contact Switch
K12	Audio-to-Light Modulator 110V and 240V versions
K13	Sensitive Sound Activated Tape Recorder Switch
K14	Mains Stroboscopic Xenon Flasher 110V and 240V versions
K15	6V - 12V Screamer
K16	FM Telephone Transmitter
K17	LM386 Audio Power Module
K18V2	New Version 9V FM Transmitter
K19	Light Dimmer (200V/240V).
K20	Crystal Locked Ultrasonic Movement Detector I
K21	Two Station Intercom/Hard Wired 'Bug'
K23	Opamp Function Generator
K24	Logic Probe
K25	Mains Timer (200V/240V).
K26	Fibre Optics Voice Transmission
K27	TDA7052 Amplifier Module
K28	Sound Activated FM Transmitter
K29	Combination Lock
K30	PIR Movement Detector
K31	9V Siren
K32	Two Stage FM Transmitter
K33	Tape Recorder Switch for Telephone
K34	General 3 1/2 Digit Panel Meter (using 7106)
K36	General 4 1/2 Digit Digit Counter (7224).

K37	Chip-on-board 5 LED Programmed Flasher, with motherboard
K43	Single Relay Board
K45	Relay Board for 2x1A Miniature Relays
K46	Flashing Star
K47	TDA2002/TDA2003 Amplifier Module
K48	Introduction to Class AB Amplifiers
K49	Crystal Locked Ultrasonic Movement Detector II
K50	25W amplifier module. LM1875
K51	Miniature bug – Kit 18 reduced in size
K52	Chip-on-Board 5 LED Random/Sequence Flasher, with motherboard
K55	Suction Cup Phone Pickup
K57	Negative/Positive Ion Generator (110V/240V)
K58	IR Remote Toggle Switch
K60	Regulated Power Supply
K61	General 3 1/2 digit LED Panel Meter (using 7107)
K62	PIR Movement Detector Components - PCB lens, PIR sensor & movement IC
K63	One chip AM Radio
K64	120 Second Message Recorder, ISD25120
K66	Peltier Module 4cm x 4cm.
K67	DC Motor Speed Controller
K68	Power Supply Using LM317T
K69	PIC μ C Single LED Dice, 16C54C 04/P
K71	Dual PIC μ C Dice, 16C54C 04/P
K73	Big PIC Clock
K74	PC Driven Relay Board
K76	Movement Detector Module (assembled & tested)
K79	Three Light Dependent Resistor Kits in One Kit Also sold separately.
K81	Introduction to PIC Programming: 16F84 Development Programmer
K83	Universal Power Supply
K85	Three Timers Kits in one Kit – Kits 152, K85_2, K85_3.
K85_1	Timer
K85_2	Timer
K85_3	Timer
K87	1W Stereo Audio Amplifier Module - KA2209
K88	10W Stereo amplifier module, TDA2009A
K89	Stereo VU Meter
K90	3W Stereo Amplifier Module, BA5406.
K92	IR Remote Control and Decoder IC
K93	PC Data Acquisition Unit
K94	Encoded Stepper Motor Driver
K95	50MHz Frequency Meter
K96	PIC Programmer 8/18/28/40 pin serial PICs
K97	2W amplifier module LM380
K98	Preamplifier
K100	Stereo Amplifier/Tone Control using TDA1524A
K101	20MHz Function Generator
K102	Servo Motor Driver using PIC16C711-04/P. 1 to 4 motors driven.
K103	Flashing Christmas Tree
K104	Electronic Music Box Engine
K105	18W Audio Power Amplifier HA13118
K106	50W amplifier module. TDA7294
K107	1W Stereo Amplifier Module - TDA7053
K108	Serial Isolated I/O Module
K108Dual	Joins two Kit 108's together
K109	Unipolar Stepper Motor Driver using 555 & UCN5804
K110	Continuity Tester
K111	Square Wave Oscillator LN/NE555
K112	Pocket Data Logger/Sampler on PC Parallel Port. 8 bit
K113	Two Unipolar Stepper Driver on PC Parallel Port
K114	Dual Unregulated Power Supply
K115	1W Stereo Amplifier Module
K118	12-bit Data Acquisition Unit
K120	Dual Temperature Meter
K122	Atmel AVR Programmer
K122ADT	Adaptor Board for K122 for 90S4434/8535 programming
K123	Atmel 89C5xxx programmer
K124	Positive Adjustable Power Supply Module
K125	Negative Adjustable Power Supply Module

K126	Mini-VOX and Relay
K127	3 ½ Digit Panel Meter
K128	USB all-Flash PIC programmer
K129	4 Digit Up/down Counter
K130	IR Light Barrier / Door Minder
K133	12V Movement Detector Module (assembled & tested)
K134	Introduction to LCD's
K135	DC to DC Converter 9-12V to 17VDC.
K136	Flashing Heart
K137	Touch Switch and delay. Uses nmos 555 IC.
K138	Two LED Flasher
K139	1W Stereo Amplifier Module with DC Volume Control – TDA7053A
K140	Telephone Switcher Mk II
K141	Multi-mode Timer
K142	12 Relay IR Relay Board Board and Remote Control
K143	6 – 10 Watt Stereo Amplifier. TDA2005
K144	Kit 117 with ISD, Atmel AVR, Scenix and EEPROM programming
K145	Temperature Data Logger. DS18S20
K146	40 Second Recorder with Looping Ability. ISD2540 DIP IC
K148	Programmable Timer with Firmware modules
K149	USB / Serial PIC Programmer
K150	USB PIC Programmer
K151	EEPROM Programmer
K152	Multitimer II
K153	DTMF Decoder
K154	4 Digit Presettable Down Counter with Output
K155	Stereo Tone Controller
K156	Dual HI/LO Switched Relay Board
K157	Rolling Code 2-channel Remote Relay Board
K158	Bi-polar Stepper Motor Driver Board
K159	Hi Power DC Motor Speed Controller – in preparation
K162	6V DC Xenon Flasher
K163	12V DC Xenon Flasher
K164	Telephone Data Logger
K168	Wind Speed Meter
K169	PIC Flasher
K179	Unipolar Stepper Motor Driver Board
K180	Rolling Code 4-relay 4-button Remote Relay Board
K181	Rolling Code 10-relay, 4-button Remote Relay Board
A16	433.9MHz UHF modules 4-button Tx/Rx, also sold separately
A17	433.9MHz UHF modules 2-button Tx/Rx, also sold separately
A63	20-30 second voice recorder module.

April, 2004
